To whom it may concern:

In light of COVID-19 and the impact it has created throughout the entire world, the RVDA of Alberta is also taking precautions to keep our members and consumers alike as safe as possible. With RV Learning Weekend only two months away, the Association's Board of Directors felt it was in the best interest of all consumers, members and staff to cancel the event that was scheduled for May 22 – 24, 2020. Those members who stepped up to sponsor and have provided payment for the event will receive a full refund shortly. As this pandemic continues, we must all exercise extreme caution within our work environment and our personal spaces as well.

As no one really knows when this pandemic will be under control, the Association will continue to provide its members with updates regarding any changes that the Association will implement for the safety of its members and staff alike.

With children out of school for the remainder of this school year, Ol' MacDonalds Resort has confirmed they will start their camping season earlier with discounted camping fees available. Please contact Ol' MacDonalds Resort directly at (403) 742-6603 to make your reservations.

To keep communication lines open with all our members and social media followers, if you have any information that impact your business, please share them on social media (Facebook, Twitter, Instagram) and tag our Association @rvdaofab so that we can share your information.

At this time, our office is still open so if you have any questions or concerns, please feel free to contact myself at [dan@rvda-alberta.org](mailto:dan@rvda-alberta.org). In the meantime, please stay safe and healthy.

Yours truly,

Dan Merkowsky  
EVP, RVDA of Alberta
